

This is a list of runners and walkers from the BISHOP CENTENNIAL RUN. Due to the epic storm, awards were handed out based on the participant's telling me their times. All time cards and age bracket boards were blown down and soaked. I want to thank all the brave people that lined up and ran/walked through sideways rain and hammering thunder. I saw several smiles and heard good natured comments as runners sloshed towards the finish. If I left out anyone I am sorry and remember the list is not necessarily the finishing order.

Special thanks to photographer Chole and Frank.

Sincerely, Tom Wolter - Race Director
